

THE MSB FOUR STEP UPGRADE PROCESS

1. Box the Unit

- Remove any discs from transports
- Provide at least 2" of foam or bubble wrap around unit
- Double box with at least 2" of styrofoam peanuts
- Include remote with all players
- **Include completed order form with order.**

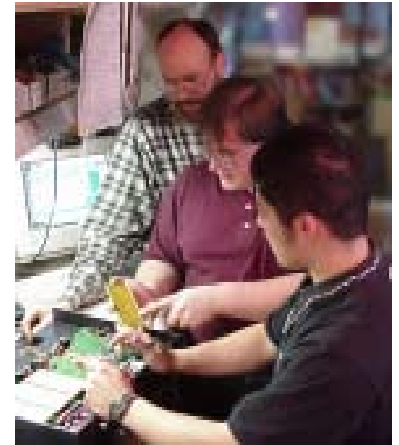

2. Ship to MSB

- Ship by any carrier and insure, we find that FEDEX offers least chance of damage
- Overnight services can also be selected on order form.

3. MSB Upgrade Service

- MSB has been doing audiophile upgrades for over 20 years so do not worry!
- We are fast - typically 3 days in-house
- One year warranty applies to MSB upgrade - many manufacturers honor their warranties even with the MSB upgrade installed.

4. Receive and install

- MSB returns the product in the same packaging as received
- Receipt and user instructions will be included
- Shipping damage must be reported within 3 days.

I am authorizing MSB to perform the above designated upgrades. I understand that I will not be charged if for some reason MSB cannot upgrade my unit. I also understand that as an upgrade, MSB cannot accept any returns, but for a labor fee will transfer the upgrade to another product if I am not satisfied. A one year warranty applies to the upgrade but not to the base unit. This upgrade may void the warranty on the base unit. Customers are responsible for shipping damage and must report claims within 3 days.
